

## AOTF Says “Thanks” to 2011 Gala Sponsors, Dancers and Guests

The American Occupational Therapy Foundation extends its thanks to the generous sponsors, dancers, and guests of its 2011 Gala, which featured the Second Annual *Dancing with the Stars* competition. With more than 200 guests in attendance, the event, held April 15, 2011 at the Loews Philadelphia Hotel, raised approximately \$50,000. Proceeds from the event support AOTF research and education programs.
