May 1, 2015

The American Occupational Therapy Foundation (AOTF) is pleased to announce a new partnership with OccupationalTherapy.com to support occupational therapy student scholarships. Beginning in 2015, two (2) \$5,000 scholarships will be awarded annually to outstanding applicants pursuing post-baccalaureate degrees in occupational therapy.

Commenting on this corporate contribution, Dr. Scott Campbell, chief executive officer of AOTF, remarked, "We are grateful for OccupationalTherapy.com's support for AOTF's educational mission, and we applaud this significant commitment to occupational therapy students."

In addition to funding student scholarships, OccupationalTherapy.com also served as an event sponsor at the AOTF's 50th Anniversary Gala during the 2015 American Occupational Therapy Association Annual Conference held in Nashville, Tennessee.

"At OccupationalTherapy.com, our mission is to enhance the quality of life for the patients and clients in the care of the professionals we serve.
