

Useful Links and Online Resources for Occupational Therapy Scientists

Selected Federal Research Agencies

This list of selected federal research agencies is intended to assist occupational therapy researchers in the pursuit of funding that can, in turn, advance the research priorities of the profession of occupational therapy.

All federal government agency/department grants can be found at:

http://www.grants.gov/applicants/find_grant_opportunities.jsp

Weekly update:

http://www07.grants.gov/search/search.do?mode=Search&dates=7&docs1=doc_open_checked

Some agencies/departments also list grant funding opportunities on their own web sites – see below.

Centers for Disease Control - CDC
