I. Issues, Concerns & Limitations
   A. Activities within the scope of PTE
      1. All activities of PTE national board and individual chapters will support the mission "...to support the development of occupational sciences and the practice of authentic occupational therapy by promoting research and other scholarly activities by its members. In this way, the organization serves not only the profession, but helps to insure quality health care services for the general public."
      2. PTE chapter fundraising should directly support:

         b. research initiatives
         c. scholarship activities,
         d. attendance of the voting delegate to the Annual Business Meeting
   B. Disciplinary action/termination of membership
      1. In the event that a PTE member acts in a manner that the local chapter feels reflects the values of PTE poorly, with substantial evidence (i.e. unlawful or criminal activity, evidence of academic dishonesty), the local chapter, in consultation with the faculty advisor, may take appropriate disciplinary action up to and including termination of PTE membership.
